

## 5 – 1. Prohibited Chemical Substances

No.	Substances	Object Part	RoHS	JGPSSI	MINEBEA
Metal and its compounds (including metal alloy)					
1	Cadmium & its compounds	・ Those with a detailed setting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
2	Hexavalent Chromium compounds	・ Those with a detailed setting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
3	Lead & its compounds	・ Those with a detailed setting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4	Mercury & its compounds	・ Those with a detailed setting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
5	Tributyl tin=oxide	・ All uses		<input type="radio"/>	<input type="radio"/>
6	Tributyl tin	・ All uses		<input type="radio"/>	<input type="radio"/>
	Triphenyl tin			<input type="radio"/>	<input type="radio"/>
Halogen system organic compounds					
7	Polybrominated biphenyls (PBB)	・ All uses	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
8	Polybrominated diphenylethers (PBDE)	・ All uses	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
9	Polychlorinated biphenyls (PCB)	・ All uses		<input type="radio"/>	<input type="radio"/>
10	Polychlorinated naphthalenes (PCN)	・ All uses		<input type="radio"/>	<input type="radio"/>
11	Short-chain chlorinated paraffins	・ Cabinet, printed wiring board		<input type="radio"/>	<input type="radio"/>
Others					
12	Asbestos	・ All uses		<input type="radio"/>	<input type="radio"/>
13	Azo Colorants(Azo compounds)	・ The portion which touches a human body continuously		<input type="radio"/>	<input type="radio"/>
14	Ozone Depleting Substances(ODS)	・ All uses		<input type="radio"/>	<input type="radio"/>
15	Radioactive substances	・ All uses		<input type="radio"/>	<input type="radio"/>
16	Formaldehyde	・ wooden products for Europe			<input type="radio"/>
17	Dioxin	・ All uses			<input type="radio"/>
18	Polyvinyl chloride and its blends	・ Those with a detailed setting			<input type="radio"/>

RoHS : Prohibited Chemical substances by RoHS Directive from Europe

JGPSSI : Chemical substances settled by JGPSSI of JEITA

MINEBEA : Banned chemical substances
